

Inspiring homeownership at an early age.

You can inspire homeownership at an early age!
Host a Playhouse Build – **your** choice of location & date!

What to expect:

Before your build day, you will learn about a local deserving family and plan a playhouse design that they will love. On your build day, your teams of 8-10 volunteers will be guided by Playhouse Pros through the entire process of painting, assembling, and putting on the final touches in about 5 hours. Then you will present it to the families! You will not need to bring anything. We bring paintbrushes, rollers, tools, cleanup supplies, and paint for your use. If you wish to include any stickers, decals, stencils, toys, furniture, or exact colors in your design, you can bring those, too.

Playhouse Build Team

- \$2,500 Donation
- Full-day volunteer event to construct and decorate the playhouse for an employee team of up to 10 volunteers
- Location of build day may be at Habitat or at a workable location of your choosing (like your parking lot)
- Recognition in one newsletter
- Recognition on Habitat Social Media
- Photo opportunities during playhouse build
- Habitat T-shirts for each volunteer

Benefits

- Teambuilding
- Little houses build big houses in Cuyahoga and Lorain County
- Supports affordable housing options locally.
- Fosters leadership, development, and creativity for children
- Creates connection in the community.

“Playing house” is often the first time kids think about what it means to have their own home.
